Abhishek

This quiz to practice the trading concepts really blew my mind.....Thanks to all the mentors and FinLearn Academy.

Rajan Ram Sippy

FinLearn - this highly acclaimed Academy teaches not just equity/derivatives trading for short-term, positional, or intraday, but goes all out to mold/sharpen one's trading skills/style. From the very friendly/patient/accessible faculty to smart technical tools/ analysis, this is an ever-evolving workshop. We are blessed to be part of this enterprising universe. this one is really good.

Sonia Patel

FinLearn Academy, with excellent faculty, has helped me to get a good grasp on the technical part of stock entry & exit. The best part of the academy is the continuous, constant support & encouragement to become good at trading. Live hours Hand holding trade is a great way to induce confidence among the budding traders, I wish, I had this opportunity long back or at least pre covid phase.

Madhur Shroff

Along with Trendlines & resistance, support zones, please observe MMA as well. (Multiple timeframes MMA 9 in the trending market) can give you an idea of resistance and support that can hold or be broken. Thanks! Thanks o Hitesh Sir & FinLearn for teaching this.

Narender Mulani

In today's session, I've learned how to trade band Bollinger squeeze break out and I captured almost 70 points in Mindtree. thank to Prateek Sir & the FinLearn team.

Why FinLearn Academy

Our Mission

You should be responsible for your wins & losses. We believe in a world that is bereft of recommendations & advisory calls, with complete independence in your decision making, with the right education & tools.

Education + Application

Teaching you in a static environment, without going through the concepts under market conditions is like going to war without adequate ammunition. Our aim is simple, to arm you with the right tools so you're best prepared facing the markets.

Strong Advisory Board

We're guided by a board with combined experience in the markets of over 5 decades, in all aspects of Equities. Been there and done that!

Our Rich Legacy

We're owned by a full service brokerage house, Emkay Global Financial Services. We leverage their capabilities in all aspects of Technology, Trading & Broking, bringing to you best in class, award winning services.
